

2023 – FEBRUARY

FRIENDS OF  
ST WINIFRED'S

# COMPUTERS FOR ST WINIFRED'S

In November 2021, we set ourselves a target of £10,000 to replace some of the school's old computers and equipment; aiming to improve the lives of our children and their teachers. Fourteen months later and we – wonderful parents, carers, staff and governors – have done it!

## 100% of our £10,000 target raised!

£9697.76 of the money raised was spent to purchase an interactive white board and nine desktop computers. A special thank you to Richard Abbs, one of our governors, who allowed us to access a £2000 donation from British Gas!

**We still have £1000 to spend this school year!  
Any suggestions are welcome – please email  
[stwinifredsfriendsse12@gmail.com](mailto:stwinifredsfriendsse12@gmail.com).  
Even better, join us on the committee to make  
your voice heard!**
