

13th May 2022

Dear Parents and Carers,

This week the Year 6 children sat the Year 6 SATs. The children need to be commended for how well they did this week. They tried their best and that is all that matters. As a treat Year 6 went to Greenwich Picturehouse and saw a film. A huge thank you to all the staff who were involved in administering them, especially Ms Miller and Ms Falconer, who have prepared them so well all year. Thank you also to the governors who came in to oversee the process.

Queen's Jubilee Celebration

On Friday 27th of May we will be celebrating the Queen's Platinum Jubilee in school. For this day of celebration, we have planned many things. Today, you should have received a letter regarding lunches for this day. If you would like your child to have a school lunch, please return the slip. Please see the flyer attached regarding the plans for the day and inviting you to come and join us.

National Numeracy Day

The 18th May is [National Numeracy Day](#)! We have lots of, fun activities planned for your children to take part in at school with the aim of helping them feel positive about numbers.

We encourage all children to come in dressed up as Number Heroes. They could come dressed in clothes with numbers on or dressed as their favourite numbers, favourite mathematician, calculators, rulers, computers, or shapes. However you choose to interpret the theme, we hope children will join us in celebrating numbers. We ask that the children bring £1 to contribute towards the cost of the maths workshops taking place this week. *(3M are on a trip this day and must wear school uniform. They will celebrate the day and dress up on Friday 20th May.)*

Parent Governor Elections

Today was the deadline for the parent governor nominations. At the time of writing this, I have not received any. Being a governor is such a vital role. Please consider putting yourself forward. Today you will have received an app/text message and an email with the forms to remind you of this.
