

THE FRIENDS OF ST WINIFRED'S

SIGN UP FORM

The "Friends of St Winifred's" are the school's PTA. First and foremost, we are busy working parents just like you with children school. We are also a charitable organisation whose aim is to plan and organise events on behalf of our lovely school that provide opportunities for all parents to come together as a community making their child's journey through school memorable whilst raising much needed additional funding that goes so far in enriching each child's learning experience.

If you wish to join the committee please complete the slip below and either return it to the school office or by email to stwinifredsfriendsse12@gmail.com. Please return by the Thursday 18th November. Feel free to email with any question!
