Newsletter No 1

14th April, 2016

Dear Parents and Carers,

Welcome to St Winifred's Primary School!

Tomorrow, we will be having a special mass to celebrate our Amalgamation. Archbishop Peter will be celebrating this mass at 10.30am at Our Lady of Lourdes.

All children, from Reception to Year 6, will walk to the church with staff. Nursery children are very welcome to attend with you if you are able to join us. All parents and carers are invited to this service. There will be refreshments in the church hall afterwards for parents, carers and parishioners. Archbishop Peter will also be there.

The children will come straight back to school for play and lunch.

There will be parties and games in class for all the children in the afternoon to mark this special event. We are asking all of the children to bring an item of food to share for their class party. **Remember that we are a nut free school.**

Children must wear school uniform tomorrow.

Events this week

All Year 2 and Junior children took part in a 'skip to be fit' day on Wednesday. They were inspired by an excellent coach who helped the children to improve in this superb form of exercise. We have some ropes left in the office which can be purchased for £4 each.

Reception 1 spent the afternoon involved in Forest School learning at Manor House Gardens. They had a wonderful time.

School Website

We have been working really hard to develop our new site and hope this will be live very soon.

School uniform

Our uniform provider is almost ready to take orders for the range of items available with our new logo. We will let you know when they are ready.

Notes for your diary

Remember to return the after school club selection form-further copies attached.

Thursday 21st April- Internet session for parents and Carers 7pm (Newstead Rd Hall)

Childnet

On Thursday 21st April, a representative from Childnet will be running sessions for all Junior and Year 2 children on Internet Safety. I am sure you agree that this is an incredibly important area of learning for the children. We are also running a session for parents and carers in the hall (Newstead Road) at 7pm on the same day. I urge you to attend this session to support your child in safe use of technology. Even if you have attended in the past you will find that there has been rapid change in development and therefore lots of new information.

We will be providing a crèche.

Parent Governor Election

Please do not forget the deadline for nominations is tomorrow, 15th April. Further copies of the forms are attached.

100 mile run for St Winifred's

Ever thought about running a marathon? How about 4 non-stop?! That's what Chris Eade, father of Max Eade in Reception 1 is doing on Saturday 30 April.

Chris will be helping the Friend's with their fundraising efforts by taking on his biggest challenge to date – the Thames Path 100 mile run from Richmond to Oxford. This is his biggest challenge to date and sees him running for approx 20 hours non-stop! Please support Chris by donating anything you can. Everything he raises will go directly to the school and will enhance funding for sports equipment and sports coaches who are in the playground at lunchtime introducing our children to different sports, inspiring them to get involved as well as keeping them fit and healthy.

Donations can be made through the school office, via the Just Giving crowdfunding pages or by following this link: https://crowdfunding.justgiving.com/chris-eade-2?utm_id=34

Sports Relief

The total collected was an amazing **£1,425.87** – well done everyone.

18th March 2016

Dear Parent/Carer

ELECTION FOR PARENT GOVERNORS

Elections for 2 parent governors for St Winifred's Catholic Primary School, will take place shortly. All governors serve a four year term of office.

Eligibility to stand

All parents, carers and guardians of children at the school are eligible to stand as candidates in the election **EXCEPT**

- if s/he is an elected member of the local education authority; (local councillor)
- if s/he is paid to work at the school for more than 500 hours in any twelve month period beginning on 1 August and finishing on 31 July.

Eligibility to vote

Each parent/carers will have one vote for every parent governor vacancy.

Some people who are not parents but who act as parents and take care of a child at the school may also be able to take part. If you, or someone else living with you, look after a child in this way, please contact me to check if you will be able to take part in the election.

Information about the role of a parent governor is attached.

The important dates are:

- 15 April 2016
If you want to be a candidate you should return the attached nomination form by the end of the school day on this date (or at a meeting, if this is held later in the afternoon/evening). You can nominate yourself to stand. If you want to nominate another parent, please check with them first that they are willing to stand and ask them to sign the nomination form in the space provided. Extra copies of the nomination form are available from the school office.

All candidates are asked to provide parents/carers with information about themselves (a photograph and short statement about why they would like to take on this role). This will be displayed in school notice boards.

▪ 29th April 2016

Voting will take place from 8.00 a.m. to 4.30 p.m. **at the school**. This is to allow as much time as possible for working parents to get to school to vote. If you cannot come to the school to vote then you can apply for a **postal vote** which you must request in advance.

If you would like a postal vote please inform the school offices. A ballot paper will then be sent to you so you will not need to come to the school to vote.

Please note that all new governors are required by law to undergo a check on their suitability to serve. This will be a Disclosure and Barring Service (DBS) check.

Parent governors are very important to the life of the school and I hope very much that you will vote and also consider being a candidate.

Yours faithfully

M Harahan

THE ROLE OF PARENT GOVERNORS

Parent governors are elected by the parent body to represent them on the governing body. They share the views and where, appropriate, the concerns of parents with the governing body and act as a conduit between parents and the governing body.

Parent governors are not delegates and are not obliged to get voting instructions on matters to be decided, nor to vote in accordance with the parent body's views.

It is important that parent governors can give a fair and accurate representation of parental opinion on matters of importance. They vote, however, according to their own conscience and with the well being of the school foremost in mind.

In all other respects, parent governors have the same role as every other governor, i.e. together with other members of the governing body, they

- are responsible for the strategic management of the school
- oversee the school's aims, values and ethos
- promote high standards of educational attainment
- set targets for pupil achievement
- ensure compliance with the national curriculum
- take general responsibility for the conduct of the school
- manage the school's budget, including deciding how many staff will work there and their pay
- participate in the appointment of the leadership group
- regulate school conduct and discipline.

Like other governors, parent governors do not have the power to take action on behalf of the governing body unless they have been asked to do so by the governing body.

Most governing bodies keep confidential items to a minimum. However, all governors need to bear in mind that indiscreet talk about what has been said at a governing body meeting can cause problems, and care needs to be taken when reporting back to the parent body on the outcome of meetings.

In general, just like all governors, parent governors should make sure that they never discuss individual children or adults outside the governing body if they have gained information about them as a result of being a governor.

Parent governors should be accessible to other parents and many governing bodies have arrangements in place ranging from parent governors' surgeries to notice boards and newsletters. Care must, however, be taken if they are approached by another parent with a complaint about the school, in which case the parent concerned should be referred to the school's complaints policy.

Update on Implementation of Controlled Parking Zones (CPZs)

Zone P

This is an existing zone where the hours of operation are changing. We are in the process of changing over the signs, until this work is completed. We hope to complete this by the beginning of May. If this is not possible we will update residents on the Council's web site.

If the new controls are ready by early May we will update the web site and write to residents with a date for the commencement of enforcement of the new hours of operation.

Roads Within Zone P

Chalcroft Road	Ennersdale Road	Fernbrook Road	Fernbrook Crescent
Kellerton Road	Leahurst Road	Longhurst Road	Manor Lane (From
Kellerton Road to Southbrook Road)			
Manor Park	Pascoe Road	Staplehurst Road	Taunton Road (Nos 52-
106 inclusive)			
Thornwood Road			

Zone LG

This is a new CPZ. Unfortunately progress on putting in the lines and signs for this zone has been held up by inclement weather, repeated vandalising of the signs and posts and the need to use a lifter to relocate cars obstructing the lining work. Until this zone is completed, NSL are not enforcing this zone.

Those residents who have pre-purchased their permits will have their permit valid dates adjusted by the system automatically to ensure they have a permit valid for the full 12 months (3 months).

We are hopeful the new controls will be ready to go live in early May. We will update residents via the web site and will write to all households in the zone with information regarding the commencement of enforcement.

Roads within Zone LG

Burnt Ash Road	Effingham Road	Handen Road	Hedgley Street
Micheldever Road	Southbrook Road	Taunton Road	Wantage Road

Zone MH

The new Zone MH, formally part of Zone F is subject to a change of operating hours. We are currently in the process of changing the signs to indicate the new operating hours.

This zone's new operating hours should be operational by early May. We will update the web site and write to all households giving a start date for enforcement of the new hours.

Roads within Zone MH

Aislibie Road	Brightfield Road	Cordwell Road	Lampmead Road
Lenham Road	Manor Lane	Manor Lane Terrace	Northbrook Road

Zone F

This is an existing zone as the operating hours of the zone have remained the same. The existing posts and signs are being changed new 1.2m post with signs which will be placed at the back of footpath, which will be less obtrusive We are currently in the process of changing over the posts and signs.
