Many of our classes have taken part in the RSPB Big schools birdwatch event between 2nd January and 22nd February 2019.

Classes have been working really hard on activities such as making bird kebabs to attract birds for this special occasion. Children have been counting birds not only in our school playground but at the local park as well.

There are lots of really good downloadable resources on

<https://www.rspb.org.uk/fun-and-learning/for-teachers/schools-birdwatch/>

The school community were also encouraged to take part in the big garden bird watch 26th-28th January 2019.

If you took part in either, we hope you enjoyed it and you saw lots of different types of birds!
