

Dear parents and carers,

Welcome to Year 5. It has been a pleasure getting to know the children over the last couple of weeks. Settling in has been a real challenge for them as we have all had to learn new Covid 19 rules and procedures. Thank you for your cooperation in this. The children have managed beautifully and we are very proud of them.

The information that you need for this term should all be in this sheet but should you have any further questions please contact your class teacher on the emails provided. We are very aware that it is not as easy to make face to face contact at the moment but you can also catch us at the end of the day for a quick chat.

Best wishes,

Mrs Killick and Ms Gordon
