	Develop listening skills Learning to sing along with nursery rhymes and action songs	Speaking and singing for Christmas production. Sharing performance	Increase children's confidence with songs and rhymes. Playing classroom instruments	Develop further children's ability to listen attentively and recall with accuracy, by using ring games	Develop further children's ability to respond positively to simple instructions.	Listening and responding to instructions Consolidation of year's learning. Share and perform.

This half termly (6-step) focus-based approach supports teachers in engaging all young children with music. It includes a variety of adult-led and child-initiated activities delivered through planning and play. All the musical learning is focussed around nursery rhymes and action songs.
