Newsletter No 10

13th November 2020

Dear Parents and Carers,

I hope you have had a good week and I would like to thank you for your support in making pick up at the end of the day much safer. Please remember your face covering as we are having to buy all those I am handing out at the gate.

Please see the attached document/link to view some of the lovely work on display around our school at the moment as we are not able to invite you in person.

Parent/carer and Teacher meetings

This term teachers will be offering a 10-minute telephone catch-up to all parents/carers of pupils in their class. They will discuss the progress your child has made this term, how they have settled and their key targets for development. These calls will take place between 9th and 27th November and your child's teacher will be contacting you to arrange a mutually convenient time. Please ensure that you log into Google Classroom so you are fully aware of what is happening in your child's class. Hopefully we will be able to return to face to face meetings next term.

Be Bright Be Seen Week

Our children definitely stood out this very dull November day! Thank you so much for supporting them in this. Please encourage them to wear something bright on their outer clothing during the darker winter months to help them to be more visible.

Road Safety Week

Next week, we will have further activities around keeping safe when crossing roads. On **Monday 16th November**, Dr Bike will be dropping by to check and fix any bikes brought in that day, to ensure that they are fully road ready. If you need a repair done or parts replaced, please bring in the parts you want fixing and send us an email to let us know.

School meal menu for week beginning 16th November (Week 3)
