Newsletter No 29

14th May 2021

Dear Parents and Carers,

On Wednesday, Ms Gillespie came to see all the children and managed to meet many of you at the gate. She is very much looking forward to taking up her post as headteacher of this school in September. Ms Gillespie will be visiting during the coming weeks to get to know everyone and familiarise herself with all aspects of the school. Don't forget to say hello if you see her.

Dr Bike

Dr Bike returned to school this week to check and carry out minor repairs to adult bikes. It was great to see so many of you making the most of this opportunity. We will try to get another booking in before the end of term for the children's bikes.

It is wonderful to see so many of our pupils walking, scooting and cycling to school.

Please insist on your child wearing a helmet to keep them safe when cycling. On Wednesday one of our pupils was cycling to school very sensibly with his mum when he had an accident and tumbled off his bike on to his head. His helmet was damaged but he was absolutely fine except for a couple of grazes. Clearly the helmet saved him from a more serious injury.

Lost Coat

Please could you look out for a reversible Patagonia coat for a child aged 8-9 was left in the playground, one side is a thick, fluffy beige fleece style, the other is a distinctive dark and light pink mix of two colours. The coat was labelled with the child's name so please check if you have the same type of coat.
